Re telephone conversation and functional statement

25X1A

1. Reference our telephone conversation of this date, we are not in a position to forward either an expansion of or changes in the functional statement as originally appearing in CIA Regulations [REDACTED]

2. It is my understanding as of this date that certain discussions are now being held regarding the mission of the Director of Training which make it impossible for me to prepare a definitive statement of functions. I regret that this situation occurs at the moment of your publication deadline. Under the circumstances I can only recommend that the functional statement as originally appearing be repeated in the publication presently going to press.
